Dear Sir:

At a recent meeting of the Consistory of Ursinus Reformed Church your name was brought up as not showing as much interest in church work as you should.

There are two things that make a good church member: First, Church attendance and taking part in church activities, Second, helping financially.

Now, if you are too far away to be present at church, or if your work is of such a nature that you cannot attend church, you surely can help the financial matters of your church by paying regularly toward its support.

The Consistory gives you the month of April to get yourself in good standing.

By order of Consistory of Ursinus Reformed Church.

Secretary

Mr. Van G. Fisher  
373 W. Hazeltine Avenue  
Kenmore, N. Y.

Dear Mr. Fisher:

Your letter of March 12th., 1929 with reference to your unpaid church pledge of \$60.00 received.

In checking over your account we find that you have paid \$92.00 which leaves a balance due of only \$58.00.

Reg to advise that at the last meeting of our consistory this matter was taken up and discussed at some length, the consistory looked at it in this light, that the church was build on pledges and the honor of the people making the pledges; there is still other pledges unpaid; we still owe some on the church and if we expect to lift this debt we must look to the people that made pledges to work with us, and they felt that if they released one there would be others that would like to be released also, and we would be left with this debt on our hands.

We notice also that in the near future you expected to transfer your membership to Buffalo, we do not care to lose you and will be glad for you to continue your membership with us; however if you did desire to move to Buffalo the consistory decided that they would not hold this pledge against you in considering you in good standing.

Hope that you will appreciate our position in not granting your request in full, we are.

Yours very truly,

R. W. Brown, Treasurer

Dear Sir,

As the five year pledge period of the Eldg. fund has elapsed, I find an unpaid balance of \$60.00 credited to myself.

May I have the privilege of requesting cancellation of that balance. My only reason, in view of the fact, since making the pledge have decided to make Buffalo my permanent home and will in the very near future attempt to transfer my membership to Buffalo.

I hope my request meets your approval also that of the committee.

I Beg to remain

Sincerely yours,

Van C. Fisher

The following resolution was adopted by the Consistory.

Rev. A. R. Tosh, Pastor  
W. W. Fisher, Secretary

The Consistory acknowledges with grateful appreciation the untiring effort and work on the part of our pastor. We recognize through his visitations a careful and thoughtful ministry, and that he has a sympathetic understanding of our congregation, even though we are a part of wavering humanity. We note his masterful and magnificent presentation of the gospel from the pulpit Sunday after Sunday. These things cannot be done so forcefully without a lot of work on his part.

As the official church body, we originally recommended to our congregation that he be called as pastor, and at this time we desire to remind the congregation again of our confidence in him, which has not wavered in the least during these few years. We believe him to be thoroughly conscientious in all his work, profoundly sympathetic toward all the activities of the church, and possessing a bleeding heart for all people outside the fold of God. We pray that the excellent cooperation now existing between pastor and congregation may become even greater, and that we recognize our pastor as he preaches to us as being the mouthpiece of God, and that he is attempting to fill our lives with the spirit of God.

We recommend to our congregation that they heed the call of the pastor and renew and reconsecrate their lives during these troublesome times of war, famine, pestilence, greed, and hatred, so that the spirit of God may be kept forcefully alive in our hearts and minds. We desire that this congregation may be thoughtful to the duties to be done within our own fold, that our church attendance might be lifted up to a higher plane, and that through our faithfulness in performing our tasks, we may be expressing our love for our pastor as he leads us to know the living God.
